

Welcome to our latest newsletter! In this month's edition, you'll find upcoming events where you can join the dialogue on the latest efforts in performance measurement and data management, news stories highlighting the merits and challenges of sustaining a performance program, and finally, an abundance of professional development opportunities. From contributing scholarly research to *Public Performance and Management Review* to reflecting on your own performance story, and from participating in our online certificate in Strategic Performance Management to applying for a new position, we hope you will feel inspired to consider how your career will grow this spring.

## What's your performance story?

**Call for Submissions:** How are you using data to shape your organization and create impact? [Share your story here](#) to be featured in an upcoming newsletter or on our website.

**Call for Submissions:** *Public Performance and Management Review* (PPMR), the journal of the American Society of Public Administration's Section on Public Performance and Management invites manuscripts addressing a broad range of factors influencing the performance of public and nonprofit organizations and agencies (including best practices in measuring and evaluating performance, improving budget strategies, managing human resources, building partnerships, engaging citizens, and applying new technologies). More information is available [online](#) and by [email](#).

## News & Research

### Can Citizen Surveys be a Hidden Gem for Your Municipality?

by Kel Wang

*"A citizen survey is a type of opinion poll which asks local residents for their perspectives on issues, such as quality of life, level of satisfaction with local government, or service importance."*
